You know how I'm coming (uh huh)  
You know exactly how I'm coming  
(I'm telling you) It don't stop  
Shit don't stop

[Chorus: repeat 2X]  
My jacket consist of  
Batteries on robberies, pistol charges, and murder  
I know I'm the realest nigga ya heard of besides Pac  
Got niggaz screaming Soulja from the street to the cell  
block

[Verse 1]  
You bitchu  
Soulja Slim and his committy is coming to getchu  
My mag 90 bullets hitchu and splitchu  
In half, let a bitch boy stab  
Won't last up against these mother fuckers that use to  
taking blood baths  
I been smoking blounts with the devil thats why my  
eyes are red as the fuck  
Now tell me do I look like the type that will be scared to  
bust?  
Well guess what? I'm screaming out murder me and  
I'm vest up  
Chest up  
Test nuts  
Watch up while I fletch ya  
You bitch made and I'm self made  
Magnolia calia mag made  
I get through like a scale blade  
And Kunta Kente your left leg  
I play surgeon and I'll be slpurgen  
In anonymous nasty big bourbons  
Don't stunt dog  
Whatever I say I'll come withcha I'll come dog  
I'ma get mine for the two G's  
Take it for I say please  
I fuck with twirkers not the twirkees  
Put it long will give a nigga the herpes  
So I stay back, I mean way, y'all didn't notice how I say

that?

Well mother fuck y'all hated waving on three G's laid  
back

[Chorus]

[Verse 2]

As one time we was clicc tight  
What the fuck going on? I just come home my shit aint  
going right  
Everybody branching off doing they thang  
Some of 'em in the studio and some of 'em they slang  
Thats how it go I know this rap shit aint gone last  
forever  
So I stash cheddar for hard times flipping to make it  
better  
I can take ten G's and make twenty more ten G's with  
that  
I'm from the 6 'co circle where all the hustlers at  
You busters scaking from round me with all that junk  
claiming  
In 95' In random time remaining bust the brain in  
Smoking blounts and snortin cane with my girl Big Ree  
Til I started spooking out thought a nigga was trying to  
kill me  
Nigga feel me

[Chorus]

[Verse 3]

Picture lil daddy think he raw musta forgot I'ma vet  
Crushing up his memory and then give him set for the  
flow of that  
I gotta way of making all real niggaz feel my pain  
Anymore player hating ass fake niggaz look at me  
strange  
Reverse the game, Fuck his head up leave him in the  
middle of the street  
Nigga shit aint tight enough to geep a G with me  
Actually, you don't even suppose to be in my presence  
So I'ma ask you like a man, (shit) playboy get to  
stepping  
Now if you walk off with that look like you gone get your  
weapon  
And I'ma do ya something for all that stuntin and  
repping  
Now as the beat on for my flirters stop  
Til I make your drop it like its hot  
I can run some shit that will make you pussy pop  
Don't matter if you real or not  
Play my game and I'll cheat on ya

Pull the rubber off and skeet on ya  
Haters slanging that shit pussy for me on the Magnolia  
street corner  
You's a hoe nigga  
You I know nigga  
And I put that on all my 6 'co fa sho niggaz  
I'm X4L chief of the mag booyay  
Fuck what them niggaz doing tomorrow cause I doing  
my thang today  
Thats how I'm living just game giving to make y'all  
recognize  
I been doing this and I aint never took of my  
camoflauge

[Chorus] - 3X
