I... I'm just a simple man  
I have to do the simple things  
That a simple man... can

You... are holding out your hand  
You want to know the simple things  
In my simple plan... and

I know there's so much to share  
So what else can I do

Yes I'm a simple man  
Come now and take my hand  
Now Together, Never to be lonely  
Yes I'm a simple man  
I do the best I can  
Now Together, just remember only  
I'm a simple man

Love... is just a simple thought  
A little bit worse for wear  
Like a thief who got... caught

Hope... is just a thing you bought  
Another safe white lie that  
Everybody got... taught

Yes I'm a simple man  
Come now and take my hand  
Now Together, Never to be lonely  
Yes I'm a simple man  
I do the best I can  
Now Together, just remember only

I'm a simple man  
Come and take my hand  
I got a simple simple plan  
I hope you understand  
That I'm a simple man  
I do the best I can  
I got a simple simple plan  
I think you understand

Yes I'm a simple man  
Come now and take my hand  
Now Together, Never to be lonely  
Yes I'm a simple man  
I do the best I can  
Now Together, just remember only  
It's so simple
