At club 18-30 I met Julius Caesar,
Lady Diana and Mother Theresa.
At club 18-30 I met Julius Caesar,
Lady Diana and Mother Theresa.
Signs, you know I see them all the time.
Time, It's just a fraction of a sign.

Cerebella sitting on the totem timeline.
Unwelcome foreign hands are very hard to find.
And hangmen also die, in Famagusta's hive.

Cerebella sitting on the totem timeline.
Unwelcome foreign hands are very hard to find.
And hangmen also die, in Famagusta's hive.
