You must be crazy if you think I'm gonna be  
Stickin' around while you're messin' with somebody  
Your shit's at the door boy it's time you made like a tree  
Playtime is over and your ass is history

While you're studying physical attraction  
I been workin' on your subtraction  
One to the two, the three, the four  
You better not come round here no more

I've learnt my lessons in the school of love  
If you only cheat once boy that's once too much  
So do the math while I'm leavin' you  
Cos one plus one plus one, it ain't two

You must be crazy boy who do you think you are  
Treatin' our love like some twisted menage a trois  
I've done my homework and this time you've gone too  
far  
These ain't my panties and that ain't my skanky bra

While you're gettin' your sex education  
I'll be smashin' your new Playstation  
One to the two, the three, the four  
You better not come round here no more

I've learnt my lessons in the school of love  
If you only cheat once boy that's once too much  
So do the math while I'm leavin' you  
Cos one plus one plus one, it ain't two

I've learnt my lessons in the school of love  
If you only cheat once boy that's once too much  
So do the math while I'm leavin' you  
Cos one plus one plus one, it ain't two

(One, two)

You can't do the dirty and expect me to stay  
I got pride in myself and I won't be played  
So get gone, get gone, go on

Pack your bags and get the hell on

You can't do the dirty and expect me to stay  
I got pride in myself and I won't be played  
So get gone, get gone, go on  
Pack your bags and get the hell on

I've learnt my lessons in the school of love  
If you only cheat once boy that's once too much  
So do the math while I'm leavin' you  
Cos one plus one plus one, it ain't two

I don't want your car, or your crib, or ya bank account  
You can keep your friends, and ya endz, cos I'm gettin'  
out  
I don't want your phone, or ya bone, you can keep that  
stuff  
I've had enough of your love, boy I'm playin' rough
