Now can you feel me baby
I've got the honey
Jump in the (wheels?)
Let's jet to the party
Drive to the spot
'Cos the club is hot
And all my sisters and the fellas
Gonna shake what they got
We're gonna slide on Friday
Won't stop till Sunday
Having too much fun
To think about Monday
Spot me a guy
With that look in his eye
So we can dance
But you can't take me home tonight

It's Friday night
And I feel all right
'Cos I just got paid
And I'm looking tight
I wanna feel you
Sugar honey pie
Got the keys to the jeep
So let's go for a ride

Now can you feel me baby
I've got the honey
Jump in the wheels
Let's jet to the party
Drive to the spot
'Cos the club is hot
And all my sisters and the fellas
Gonna shake what they got
We're gonna slide on Friday
Won't stop till Sunday
Having too much fun
To think about Monday
Spot me a guy
With that look in his eye
So we can dance

But you can't take me home tonight

The club is jumping
Can you feel the funk?
The beat is pumping
And it's getting crunk
I wanna feel your
Body next to mine
Baby on and on
To the break of dawn
We're gonna rock all night

Now can you feel me baby
I've got the honey
Jump in the wheels
Let's jet to the party
Drive to the spot
'Cos the club is hot
And all my sisters and the fellas
Gonna shake what they got
We're gonna slide on Friday
Won't stop till Sunday
Having too much fun
To think about Monday
Hey DJ another jam to play
And all my people in the club
Let me hear your say

Can you feel me?
(Can you feel me)?
Can you feel me?
(Can you feel me)?
Can you feel me?
(Can you feel me)?
Can you feel me?
(Can you feel me)?

Can you feel me?
(Yeah I can feel you K'Lee)
Can you feel me?
(Yeah I can feel you K'Lee)
Can you feel me?
(Yeah I can feel you K'Lee)
Can you feel me?
(Yeah I can feel you K'Lee)

Universal is the label that
Pays me
High rise with the beats that
Made me
Big ups to all the DJs that

Played me
Now Brotha D make the crowd go
Crazy

[Brotha D]
Now stop what you doin'
Slow it down like you crusin'
Brotha D and K'lee what I'm movin'
On a high rise drum tight
Shedding light
Help ya spend your Friday nights
Party all night
Party every night
Party till you see daylight
Like we do in Southside
Steers on
Some 'em you belong
Come on it the clubs hard
Get your groove on

Pumpin' pumpin'
We all need to cut loose some times
And have ourselves
A little bit of fun
If you're tired of the stress life brings
Baby come with me
I ain't got nothing but love

Now can you feel me baby
I've got the honey
Jump in the wheels
Let's jet to the party (Nothing but love)
Drive to the spot
'Cos the club is hot
And all my sisters and the fellas
Gonna shake what they got
We're gonna slide on Friday
Won't stop till Sunday
Having too much fun
To think about Monday (Nothing but love)
Hey DJ another jam to play
And all my people in the club
Let me hear your say

Can you feel me?
(Can you feel me)?
Can you feel me?
(Can you feel me)?
Can you feel me?
(Can you feel me)?
Can you feel me?

(Can you feel me)?

Can you feel me?
(Can you feel me)?
Can you feel me?
(Can you feel me)?
Can you feel me?
(Can you feel me)?
Can you feel me?
(Can you feel me)?

Can you feel me?
(Yeah I can feel you K'Lee)
Can you feel me?
(Yeah I can feel you K'Lee)
Can you feel me?
(Yeah I can feel you K'Lee)
Can you feel me?
(Yeah I can feel you K'Lee)
Can you feel me?
(Yeah I can feel you K'Lee)
Can you feel me?
(Yeah I can feel you K'Lee)
Can you feel me?
(Yeah I can feel you K'Lee)
Can you feel me?
(Yeah I can feel you K'Lee)
