Ok man, take it away
Ummm-hmmm-hm
Whoah-nanananana
Hm mmm
Ummm-hmmm-hm-yeah
Ummm-hmmm-hm-yeah
Ummm-hmmm-hm-yeah
Ummm-hmmmm

They're justified and they're ancient
And they like to roam the land
They're justified and they're ancient
I hope you understand
They don't want to upset the apple cart
And they don't want to cause any harm
But if you don't like what they're going to do
You better not stop them cause they're coming through

They're justified and they're ancient
And they know what time is love
They're justified and they're ancient
Did they come from up above?
Rockman he's just made of bricks
And king boy lost his screws
The jams don't need no master plan
To do whatever -- ever they can
Ummm-hmmm-hm
Whoah-nanananana, unh huh
All righhht, unh huh
Yeah

They're justified and they're ancient
And they like to roam the land
They're justified and they're ancient
I hope you understand
They don't want to upset the apple cart
And they don't want to cause any harm
But if you don't like what they're going to do
You better not stop them cause they're coming through

They're justified and they're ancient

And they know what time is love
They're justified and they're ancient
Did they come from up above?
Rockman he's just made of bricks
And king boy lost his screws
The jams don't need no master plan
To do whatever -- ever they can
Ummm-hmmm-hm
Whoah-nanananana, unh huh
