[hooo hhoo's]

Sunlight on a winter's day
They are driving, driving all the way

No more tears as we roll through the years
No more tears as we roll through the years
On and on and on and on we roll

[bambe bo le bao lo he's]
[hooo hhoo's]

Sunlight on a winter's day
The mu mu, is here to stay

[in he mo springa & bong de na da hena's]

No more tears as we roll through the years [[[repeat
lotsa times]]]

On and on and on and on we roll

Sunlight on a winter's day
The white room is where they play
