And this is my four leaf clover
Gift of love of mine
Tear of meadow's fall
Scent in coldest snow

There's a love strong,
Strong like a bless,
I wish do lie,
And my wish arise (...) fails

My own silence child
A world sun can run
Fall my loneliness
Your vision falls, anymore

Please don't leave me upset
My pale drowning time
Don't forget to promit
You will never die

Read the four chapter and find
My love about the future
Probably, you kiss your fingers
You will be, the wish from (...)

I believe, the small (...)
The prophecy, the body stuns
Great to face, I'll be with you
Please, Please

And Stalingrad is calling
And the ice is snowing
(...)
And I'm in desire
(...)

My own silent child
The world's sun slow die
(...)
So your vision falls
(...)

Baby, you are falling down tonight
Tonight
Oh ohou, So you
