Orange Pez is best
Stuck inside his head
Spiderman is red
They're sitting in his head

Move it back, the head
It don't matter if you suck or chew
It is time for Pez
To get our clothes off and get into it

I'd share my Pez with you girl (chorus)

Lemon Pez is best
Stuck inside his head
Now the hulk, he's dead
They're sitting in his head

Move it back, green head
It don't matter if you suck or chew it
The Hulk is here
Let's get our clothes off and get into it
I'd share my Pez with you girl (chorus)

Cherry Pez is best
Eaten by the mouthful
Take Superman to bed
Just flip it back and chow it down

It's time for Pez
It don't matter if you suck or chew it
The Hulk is here
Let's get our clothes off and get into it.
Let's get our clothes off and get into it.
Let's get our clothes off and get into it

Say Pez, pez, pez etc

I'd share my pez with you girl (x 4)
