I'm a man, you're a girl,
and it was a simple world;
Find a girl, hold her hand,
but you're breaking up the band;

This has gone too far, This has gone too far,

Okay, Sayonara anyway, Goodbye;

And it's time to say goodnight,
But there's time for one more fight;

And i'm down on my knees,
You got me turning Japanese;

This has gone too far, This has gone too far,

Okay, Sayonara anyway, Goodbye;
Okay, Sayonara anyway, Goodbye;

Japanese. Goodbye
I'm on my knees. Goodbye
And it's killing me. Goodbye
