Artist: Chalk Farm
Album: Three 2's
Track: Jennifer
(Duff)

In the winter she was warm and
by her side he held her tight
As the flowers start to bloom
she is alone and cold at night

Jeni sits through the rain
looks at the cars will he ever come?
She used to feel the pain but now she's numb and says

Is that the way that you love me?
Is that the way that you hold me through the night?
Is that the way that you love me?
Will I be feeling you holding on so tight?

Jeni begins to change
Her own reflection just grows and grows
Vainly she'd hide the strain but now he shows, she says

Is that the way that you love me?
Is that the way that you hold me through the night?
Is that the way that you love me?
Will I be feeling you holding on so tight?

And she wants to be like she used to be
before all the hurting and memories
If you loved me too, like the way I do
we could be happy one more time!
Is that the way that you love me?

Little man sits all alone looking over his milk
in a puddle on the floor.
He's sad.
Jenny walks in, slams the door
and with wondering eyes he cries as she says
If you loved me too, like the way I do
we could be happy one more time!

Is that the way that you love me?
Is that the way that you hold me through the night?
Is that the way that you love me?
Will I be feeling you holding on so tight?

Is that the way that you love me?

I say I do...
