Artist: Chalk Farm

Album: Three 2's

Track: Giving Up

(Duff)

Thunder roar and I can hardly think
My body aching for another drink
Watching how the regiment goes by
Lunch already and the time does fly

You don't understand me.
It's nothing I feel but I do my best

One and one another two become
Judgement bows another day is done
blown together by a slip in time
I'd pray to God but I've forgotten why

You don't understand me.
It's nothing I feel but I do my best
You don't understand me.
It's all that I need but I do confess

I'm giving up, I'm giving up, I can feel it coming down.
I'm giving up, I'm giving up, I can feel it coming down.
I feel it coming - Feel it?

I've been to hell and I believe my head
You'll always be there - isn't that what you said

You don't understand me.
It's nothing I feel but I do my best
Oh, you don't understand me.
It's all that I need but I do confess...

I'm giving up, I'm giving up, I can feel it coming down.
I'm giving up, I'm giving up, I can feel it coming down.
I'm giving up, I'm giving up, I can feel it coming down.
I'm giving up, I'm giving up, I can feel it coming down.
I feel it coming down
I feel it coming - Feel it?
