Track: I Don't Know Why
(Duff)

I feel empty here inside
The way the darkness falls alone
There's a pounding in my eardrums
Everything seems like excuses and I wonder
why you can't be here beside me

And I don't know why
No I don't know why
We belong

The paper tears as easily
As my skin against the rocks
As I look out at the ocean
of debris I wonder where do we go
And I take the pages and I burn them

And I don't know why
No I don't know why we belong
Here I go, here I am - walk across my window pane
Here I go - here I am - across my window pane.

As I look out at the ocean
I see faces and the words out from me
And I thank my stars that I have seen them

And I don't know why
And I don't know why
No I don't know why
No I don't know why we belong
Here I go, here I am - walk across my window pane
Here I go, here I am.
It's Sunday morning I'm walking with my Lover. I say,
here I go, here I am - walk across my window pane
Here I go - here I am.
