Lilly Anne talks herself asleep again
Saying something of the time spent
There's a man who taught her love and poetry
Never knowing just what he meant

And he said it's all depending on which way you fall
It's hard or it's hardly at all
Believe it or not
You can kill my heart but not my soul

Lilly Anne, come inside my window
Lilly Anne, stay with me awhile
Lilly Anne, say that you remember
Lilly Anne, and I wanna see what your lovers see

Lilly Anne, in silence she has wept away
Any feelings for the teacher
And in the end, it isn't what you do for her
It's the times that you can reach her

That she says it's all depending on which way you fall

It's hard or it's hardly at all
Believe it or not
You can kill my heart but not my soul

Lilly Anne, come inside my window
Lilly Anne, stay with me awhile
Lilly Anne, say that you remember
Lilly Anne, and I wanna see what your lovers see, Lilly

And it's all
And it's all

It is all depending on which way you fall
It's real or it's nothing at all
Believe it or not
You can kill my heart but not my soul

Lilly Anne, come inside my window
Lilly Anne, stay with me awhile
Lilly Anne, say that you remember

Lilly Anne, and I wanna see what your lovers see

Lilly Anne, come inside my window

Lilly Anne, stay with me awhile

Lilly Anne, say that you remember

Lilly Anne, and I wanna see
