Track: Reason To Live
(Duff)

So here we are.
She remembers a time when all she had was time.
Don't ask me why.
There's a beating out of order waiting your reply.
Close your eyes - If what you see is something real that
makes you high
Go outside - spread your wings.
I need you, To need you

Find a reason to live - a reason to die. Open your eyes.
Find a reason to give - a reason to fly. Open your eyes.

So here we are.
And you're fighting a feeling why you don't belong
Maybe it's life.
And it doesn't have to be your own to make you fight
For a chance - for a change. There isn't much to
understand
Close your eyes - you close your life.
I need you, To need you

Find a reason to live - a reason to die. Open your eyes.
Find a reason to give - a reason to fly. Open your eyes.

The clock is closing in
Your memory serves you well
They'll have you crawling on your hands and your
knees here

Find a reason, Find a love, Find a river full of hope,
Come on find a way
Find a reason, Find a love, Find a river full of hope,
Come on find a way
Find a reason, Find a love, Find a river full of hope,
Come on find a way
Find a reason, Find a love, Find a river full of hope,

Come on find a way
