[It's been a year daddy
I really, really miss you
Mommy says your safe now
In a beautiful place called heaven]

Oh, thinking about our younger years
[We had your favourite dinner tonight]
There was only you and me
[I ate it all up]
We were young and wild and free
[Even though I don't like carrots]
Now nothing can take you away from me
[I learned how to swim this summer]
We've been down that road before
[I can even open my eyes]
But that's over now
[When I'm under water]
Keep me coming back for more
[Can't you see me?]

Baby you're all that I want
When your lying here in my arms
I'm finding it hard to believe
We're in heaven
[I started kindergarden this year]
Love is all that I need
And I found it there in your heart
It isn't too hard to see
We're in heaven

[I carry a picture of us
In my blue's clue's lunchbox]
Oh, once in your life you find someone
[You are the greatest daddy]
Who will turn your world around
Pick you up when your feeling down
Now nothing can change what you mean to me
[I can swing on the swing by myself]
There's a lot that I could say
But just hold me now
[Even though I miss you pushing me]

Cuz our love will light the way
[Can't you see me?]

Baby you're all that I want
When you're lying here in my arms
I'm finding it hard to believe
We're in heaven
[I miss how you used to tickle me]
Love is all that I need
[Tickle my belly]
And I found it there in your heart
[My belly hurts]
It isn't too hard to see
We're in heaven

[I try not to cry]
I've been waiting for so long
[Mommy says it's ok]
For something to arrive
For love to come along
[I know you don't like it when I cry]
Now our dreams are coming true
For the good times and the bad
[You never wanted me to be sad]
I'll be standing there by you
[I try daddy but it hurts]

Baby you're all that I want
[Is it true you're not coming home?]
When you're lying here in my arms
[Maybe some day]
I'm finding it hard to believe
We're in heaven
[I can visit you in heaven, ok?]
Love is all that I need
And I found it there in your heart
It isn't too hard to see
We're in heaven

[It's time for me to go bed now
I sleep with the light on
Just incase you come home
And kiss me goodnight
I love you so much]
We're in heaven
[I miss you daddy]
