Everybody knows
That I was such a fool
To ever let go of you
But baby I was wrong
And yeah, I know I said
We'd be better off alone
It was time that we moved on
I know I broke your heart
I didn't mean to break your heart

[Chorus]
But baby here I am
Bangin' on your front door
My pride spilled on the floor
My hands and knees are bruised
And I'm crawlin' back to you
Beggin' for a second chance
Are you gonna let me in?
I was runnin' from the truth
And now I'm crawlin' back to you

I know you're in there
And you can make me wait
But I'm not gonna wait
It's the least that I can do
Just to tell you face to face
I was lyin' to myself
Now I'm dyin' in this hell
Girl I know you're mad
Well I can't blame you for bein' mad

[Chorus]
But baby here I am
Bangin' on your front door
My pride spilled on the floor
My hands and knees are bruised
And now I'm crawlin' back to you
Beggin' for a second chance
Are you gonna let me in?
I was runnin' from the truth
And now I'm crawlin' back to you

If you could see these tears I'm cryin'
Touch these hands that can't stop shakin'
Hear my heart that's barely beatin'
You will see a different man

But baby here I am
Bangin' on your front door
My pride spilled on the floor
My hands and knees are bruised

[Chorus]
And I'm crawlin' back to you
Beggin' for a second chance
Are you gonna let me in?
I was runnin' from the truth
Now I'm crawlin' back to you
Bangin' on your front door
My pride spilled on the floor
I was runnin' from the truth
Now I'm crawlin' back to you

Yeah
Now I'm crawlin' back to you
Crawlin' back to you
Crawlin' back to you
