1. On the phone calling up my girlfriends, goin' out tonight
('Cause tonight is ladies' night)
I like this guy, met him at the disco, he'll be there tonight
(And we're gonna have a ball)

pre) I wonder if he wants me, wants to wine and dine
(If he wants to wine and dine)
I wonder if he's able to show a girl good times

Ch) You know how women love to dress up fellas, they want to impress as you can see, girls will be girls
With make-up, nails, and fancy hair we want to get another stare
from fellas, girls will be girls.

2. Brand new dress, thought I'd better impress, hope it's worth my time
(Yes this guy is mighty fine)
Fix my hair, have to look my very best, wanna look just right
(If he's gonna be mine)

Wanna know if he's charming, if he's witty, has he had success
(Wonder if he's got some cash)
Have to let a man think that he's catching while I make my catch
(Make him feel like a man)

pre) I wonder if he'll take me to my door tonight
(Take me to my door tonight)
And if he wants to visit will it be alright

"Chorus" 2X

Music (12 bars) bass - guitar - keys

Va) You know how women love to dress up fellas, they want to impress as you can see, girls will be girls

With make-up, nails, and fancy hair we want to get
another stare
from fellas, girls will be girls.
