Uh-oh

Uh, I had to leave my condo to come to this
Well, Iâ€™m back, but this time Iâ€™m with my man
And these women are puttinâ€™ their hands all over his
Yamamoto Kanzai sweater that I bought
And Iâ€™m much, much unhappy about that
Iâ€™d hate to come down to their level and become a BW
A basic woman
But if they donâ€™t stop itâ€™s gonna get scandalous

Uh-uh

Iâ€™ve got a meeting a ladies room {I donâ€™t need this}
Iâ€™ll be back real soon {Thatâ€™s what I get for being in
the neighborhood}
Iâ€™ve got a meeting a ladies room {Whereâ€™s my
jewelry}
Iâ€™ll be back real soon {Can we talk}

I donâ€™t know but I think you better watch your man
(Girl you better watch your man)
â€™Cause girl, heâ€™s doinâ€™ like nobody else can (And all
the girls are watchinâ€™ him)
If you wanna be sure, you best go powder your nose
(Go on and powder your nose)
â€™Cause you wanna look good when you step on the
floor, thatâ€™s why

Iâ€™ve got a meeting a ladies room
Iâ€™ll be back real soon
Iâ€™ve got a meeting a ladies room
Iâ€™ll be back real soon

Sing
Uh-oh, uh-uh-oh
Ooh, everybody sing it like
Sing
Uh-oh, uh-uh-oh

Stepped through the door, they were standinâ€™ in line
(These ladies took their time)

Smokin' funny cigarettes and takin' their time (Guys
are were constantly on their minds)
Somebody pass me a mirror (Hurry up) 'cause I ain't
got much time (Boy, I got to get right back)
'Cause there's a hunk of man I done left behind,
that's why

I've got a meeting a ladies room
I'll be back real soon (I told my man)
I've got a meeting a ladies room
I'll be back real soon

Sing
Uh-oh, uh-uh-oh
Ooh, everybody sing it like
Sing
Uh-oh, uh-uh-oh
I'll be your freak-a-zoid

Walked on the floor and everybody was jammin'
They're playin' my favorite song (The men all
pause), got me singin' along
Can't turn your back for a minute somebody's
rockin' my man
And girl, they're doin' like nobody else can, watch
out, watch out, watch out

Excuse me ladies, this man's with me

I don't like to share, you can plainly see
He looks good, good enough to eat
But believe me lady, he belongs to me, yeah

I've got a meeting a ladies room
I'll be back real soon
Uh-oh, uh-uh-oh
I've got a meeting a ladies room
I'll be back real soon

Came here to have a wonderful time
I got to worries 'bout those divas tryin' to steal
what's mine
Mess with my money and my man, and I can get real
mean
No, instead I take my baby in my Cooper's limousine,
ooh

I've got a meeting a ladies room
I'll be back real soon
I've got a meeting a ladies room
I'll be back real soon

Ooh

Break it
Break it
Break it
Can't take it

Watch out
Watch out

And all the girls sing

I've got a meeting a ladies room
I'll be back real soon
I've got a meeting a ladies room
I'll be back real soon

I've got a meeting a ladies room
I'll be back real soon
I've got a meeting a ladies room
I'll be back real soon

Uh-oh, uh-uh-oh
And all the girls sing

I've got a meeting a ladies room
I'll be back real soon
Uh-oh, uh-uh-oh
I've got a meeting a ladies room
I'll be back real soon
Uh-oh, uh-uh-oh

I've got a meeting a ladies room (Get yourself some
business, baby)
I'll be back real soon (And leave my man alone)
I've got a meeting a ladies room (Get yourself some
business, baby)
I'll be back real soon

Don't slap me
'Cause I'm not in the mood
Don't-don't-don't slap me
'Cause I'm not in the mood

Don't slap me
'Cause I'm not in the mood
Don't slap me
'Cause I'm not in the mood

I've got a meeting a ladies room

Iâ€™ll be back real soon
Uh-oh, uh-uh-oh
Iâ€™ve got a meeting a ladies room
Iâ€™ll be back real soon
Uh-oh, uh-uh-oh

Iâ€™ve got a meeting a ladies room (Get yourself some
business, baby)
Iâ€™ll be back real soon (And leave my man alone)
Iâ€™ve got a meeting a ladies room
