VERSE ONE

Thought I heard your voice yesterday
Then I turned around to say that I loved you
then I realized
that it was just my mind
playing tricks on me....

It seems colder lately at night
and I try to sleep with the lights on
Everytime the phone rings
I pray to God it's you
I just can't believe (just can't believe)
That we're through...

CHORUS

I miss you (I miss you...)
Theres no other way to say it
And I, And I can't deny it.
I miss you (I miss you...)
It's so easy to see
I miss you and me.....

VERSE TWO

Is it done and over this time?
Have we really change our minds?
About eachothers love...
All the feelings that we used to share...

I refuse to believe that you don't care.

CHORUS

I miss you (I miss you...)
Theres no other way to say it
And I,And I can't deny it.
I miss you (I miss you...)
It's so easy to see
I miss you and me.....

BRIDGE

I've got to gather my senses together (Gather)
I've been through worse kinds of weather
If it's over now (over now)

be strong (be strong)
I can't believe that you're gone...
I've got to carry on.

CHORUS

I miss you (I miss you...)
It's driving me crazy
I don't want to live without you.
I miss you (I miss you...)
It's so easy to see
I miss you and me.....
