I love you most
When we share a phase
Of special good times together
It seems like our love can't get much better (No....)

Coz we were as close as two could be
'knew love could last forever
We're more than just lovers
We're good friends

Ref I: And even if our love could drift away
I wouldn't even think twice
If I wanted love back again

Chorus: Because I'd still say yes to you again
My Darlin' for you, I do it all again
Yes, I'd still say yes to you again
Darlin' for you, I do it over and over again (Say yes..oh-
oh)

Where does it go
How does it end
True love it seems so easy
'Coz we have no doubts
Where we belong

Ref II: They say time can heal a broken heart
And true love never ends
So why not start where we begin

Chorus..

Say yes
Over and over...ohhh
Say yes...ohh

Ref II...Chorus..
Over and over...
Say yes...say yes to me baby...

Say yes to you again

My Darlin' for you, I do it over and over again.
Say yes.
