Woo-hoo-hoo!
Ooh, yeah, yeah

Standing in the shadows
Calling out his name
Waiting for a love
Who wants to play my game
Baby, can't you hear me?
Don't you feel my fire?

I've got more than you can handle
All that you could want
Boy, you'll be a winner
If you turn me on
Come and be my lover
Stay with me tonight

I want a man size love
Passion in control of my tenderness
Baby, won't you hold me?
Sugar, can you show me what a man size love is?
Give me a king size kiss
Thrill me with the things that I understand
Can't you see I need it?
Show me you're a man size man

Anytime you're ready
I'll be waiting here
Longing for the magic
Of the night we'll share
Wrap yourself around me
Baby, let me know

I've got dreams that I can give you
Arms to hold you tight
Sunshine in the morning
And the stars all night
Once I show you heaven
Boy, you'll never let it go

I want a man size love
Passion in control of my tenderness

Baby, won't you hold me?
Sugar, can you show me what a man size love is?
Give me a king size kiss
Thrill me with the things that I understand
Baby, can't you feel it?
You can hold my heart in your hand
Give me a man size man

Man size man
Yeah, yeah, yeah

Listen
We'll find a rainbow
Where we'll go
And we'll love the night away
Bring me your action
Of passion
Before it gets too late

I want a man size love
(Oh, bring me, yeah)
Passion in control of my tenderness
(I've been looking for you)
Baby, won't you hold me
Sugar, can you show me what a man size love is?
(Can you show me what a man size love is?)
Give me a king size kiss
(Oh, bring it to me)
Thrill me with the things that I understand
Baby, can't you feel it?
You can hold my heart in your hand
(You can hold my heart)
Give me a man size man

Man size love
(Oh, come on to me)
Passion in control of my tenderness
Baby, won't you hold me
Sugar, you can show me what a man size love is
Give me a king size kiss
(Oh, baby, to me)
Thrill me with the things that I understand
(You know) [Note: most versions end around here]
Baby, can't you feel it?
You can hold my heart in your hand
'Cause you're a man size man

Man size love
(Whoa, lookin' for you)
Passion in control of my tenderness
Baby, won't you hold me

Sugar, you can show me what a man size love is
Give me a king size kiss
(Oh, baby, to me)
Thrill me with the things that I understand...
