Motherfucking cause! Ah! Represent! FUCK that! Who
the FUCK is you, nigga? X
bastard, representing!

This is how we swing this shit
For the CMR
Bust it

[Zev Love X]
Zev loves to rock the venue then
See you never be you in fact glad I never been you
Scratched of the menu
I continue with the yellup so props might develop
From the duels no clues to head swellas
I dwell uptown
It's like a jungle
I'm immune to the fever though
Whoopsy daisy never lazy so I heave-ho
Whippin shit like devo, whip it good (That thang!)
Whipping shit like Elmer Fudd and Mr. Fudd slang
Listen to my guitar twang as I sang
A long flow and my songs blowin blowin
Blowin up like a granade serenade I'm into win bitch
Locked on the mic like vice-grips to the shwinn's (of
the)
feet seat pole from when I used to pop a wheely
You can get the props if you can top my illy silly wierd
old pro rap style
Ran see ya clap while I'm the finger snap child, ritz will
give me daps
(And now my nail file, thanks
I'll bake it in a cake)
And I'mma send it upstate for all my niggaz makin
wieght
You see I take none slack
Rhymes and track is mack
Zev Love X-Lax a brown man not a
A black bastard I'm stringin 'em up stringin 'em up
higher
Than the '86 Nikes on the wire
(Right outside my rest love)

I don't suggest taste testing if you can't digest and I
quote:

"Zev with ccess, God damn God blessed I wrote"

I tote Disks, Dats, Gatts and Bats

And vote no to canine, feline, rats and double drats

(I always hear 'em sayin)

Foiled again by that maniacal madman

He wraps like seran wrap can a leg of lamb

(So shit's wrapped up)

X makes hits like a

(Pimp's hoes is smacked up)

All cracked up so constantly actin' up

Constipated monkeys got shit backed up

Get it?

(Being said while K.M.D.is talking)

Black constipated monkey (3x)

Black constipated (9x)

Black constipated

So don't sweat it

We don't play

(We don't play that bullshit and catch a bullet)

And parlet , nigga

(Yo the Nigga tried to pull it on 'em)

(...Yeah on some shit)

[Subroc]

What is you stupid make my voice deeper...

Aight next track

(Yo yo lay back into that next shit)

[Zev Love X]

I need some mutherfuckin ccess on my chest so I can

Run around like I had a bullet proof vest on, uh

Black, black

Constipated monkey, constipated monkey

Black constipated monkey, constipated monkey

Black constipated monkey, black constipated monkey,
