Kill everything, kill everything  
That's not enough

Television, religion, social destruction  
Sex and drugs, violent seduction  
Crystal dawn, ecstatic explosion  
Parental advice leads to mental erosion

Stronger than never ever before  
KMFDM is a drug against war

Line after line, round after round  
Empty shells fall to the ground  
Faster than lightning, high as a kite  
Sonic bombardment, brighter than sunlight

Stronger than never ever before  
KMFDM is a drug against war

K, yeah, M, yeah, F, yeah, D, yeah, M

No need for needles, no injection  
The substance substitutes love and affection  
Total sedation of longing desire  
Cremation of senses in friendly fire

Stronger than never ever before  
KMFDM is a drug against war  
Stronger than never ever before  
KMFDM is a drug against war

Kill everything, kill everything  
Bomb the living bejesus out of those forests  
Kill everything, kill everything  
Bomb the living bejesus out of those forests  
That's not enough
