Break my back  
You won't break me  
All is black  
But I still see

Shut me down  
Knock me to the floor  
Shoot me up  
Fuck me like a whore

Trapped under ice, comfortably cold  
I've gone as low as you can go  
Feel no remorse, no sense of shame  
Time's gonna wash away all pain

I made a God out of blood  
Not superiority  
I killed the king of deceit  
Now I sleep in anarchy, anarchy

Sacrifice to the cause  
Turn your code into law

You compensate  
To validate the loss  
You take a thief  
Nail him to a cross

Gospel of rage, faction of hate  
Deviate from the absolute  
Born of revenge, raised on cement  
Chaos created government

I made a God out of blood  
Not superiority  
I killed the king of deceit  
Now I sleep in anarchy

I made a God out of blood  
Not superiority  
I killed the king of deceit  
Wake me up in anarchy

Born of revenge, raised on cement  
Chaos created government

I made a God out of blood  
Not superiority  
I killed the king of deceit  
Wake me up in anarchy  
Anarchy, anarchy, anarchy
