My youth is wasted, I'm evasive and vague
I'm a headless beast, I'm a subtle plague
I'm a cheatin' liar, I am naked terror
I hurt, I wound, I'm a fatal error

I don't make sense, I got my pride
Don't need no meaning, I feel no shame
I will not believe, I got no choice
I'm out of control and I love it

I'm a non-believer, I refuse and resist
I don't play no more, I'm a terrorist
I'm a radical pig, I exploit and abuse
I am total chaos, strange and abstruse
I'm a cheatin' liar, I am naked terror
I hurt, I wound, I'm a fatal error

I don't make sense, I got my pride
Don't need no meaning, I feel no shame
I will not believe, I got no choice
I'm out of control and I love it

I don't make sense, I got my pride
Don't need no meaning, I feel no shame
I will not believe, I got no choice
I'm out of control and the kids just love it

I'm a man who's sick but I got class
'Coz you only get respect when you're kickin' ass
I don't make sense but I got my pride
I need no meaning, I feel no shame
I will not believe that I got no choice
I'm out of control but I love it

I don't make sense, I got my pride
Don't need no meaning, I feel no shame
I will not believe, I got no choice
I'm out of control and the kids just love it

Non-compliance, non-aggressive
Non-contagious, non-involvement
Non-productive, non-religious

Non-resistant, non-subjective

I don't make sense
Don't need no meaning
I don't make sense
Don't need no meaning

I will not believe
I will not believe
I will not believe

I will not believe
I will not believe
I will not believe
