Secrets insane
Halfway to paradise
Against every grain
Prayers burn a hole through, baby

Always the same
Walk-stalking nights
Like nothing leveled the same
It's always the same

Couldn't be denied
Couldn't be denied
Couldn't be denied
Couldn't be denied
Before the secret died

Wake every brain
Three steps to heaven
And you'll fall back again
Through drilling holes for air

Now breath in the blame
Sleep-walking nights
Are useless lives to be drained
It's always the same

Couldn't be denied
Couldn't be denied
Couldn't be denied
Couldn't be denied
Before the secret died

Couldn't be denied
(Couldn't be denied)
Couldn't be denied
(Couldn't be denied)

Couldn't be denied
(Couldn't be denied)
Couldn't be denied
(Couldn't be denied)

Couldn't be denied
(Couldn't be denied, couldn't be denied, couldn't be denied)
Couldn't be denied
(Couldn't be denied, couldn't be denied, couldn't be denied)

Couldn't be denied
(Couldn't be denied, couldn't be denied, couldn't be denied)
Couldn't be denied
(Couldn't be denied, couldn't be denied, couldn't be denied)
