Fatally beautiful and twisted  
Couldn't help be drawn in  
Fearlessly, bold determination  
Only trouble you have been

Carry murder in your heart  
Like poetry, a work of art  
Knew just how this would end  
From the very start

Let it all be done

Walk the gauntlet, tow the line  
Hell hath no fury like my kind  
Murder, madness, death divine  
Seek my wrath and ye shall find

Shame on you, cut me 'til I bleed  
Taking more than what you need  
Apathy, an omen, forewarning  
Couldn't help but heed the call

Your prize possession skeletons  
Scattered bones laid to rest  
So many secrets  
I'm surprised you haven't choked

I've learned a thing or two  
About your sick devotion  
So there's no misunderstanding  
I'm on to you

Bumaye, bumaye  
Let it all be done  
(Let it all be done)  
Let it all be

Es hat mich so erschreckt  
Du hast mich so schrecklich erschreckt  
Ich bin ?ngstlich  
Und habe f'rchterlichen Durst

Ich bin ?rgerlich  
So furchtbar ver'rgert  
Und dermassen geladen  
Dass ich kotzen k'nnte

Walk the gauntlet, tow the line  
Hell hath no fury like my kind

Bumaye, let it all be done  
Bumaye, let it all be  
Bumaye, let it all be done  
Bumaye, let it all be, bumaye

Murder, madness, death divine  
Seek my wrath and ye shall find

Let it all be done, bumaye  
Let it all be, bumaye  
Let it all be done, bumaye  
Let it all be, bumaye

Let it all be, bumaye  
Let it all be done, bumaye  
Let it all be, bumaye

Bumaye, let it all be  
Bumaye let it all be done  
Bumaye, let it all be done
