A new revolution
The ultimate war
KMFDM is back for more
twice the mayhem
Triple the force
10x the action
Total Hardcore
Shanghai-Stockholm-Berlin-Tel Aviv
The world rotates to the Ultra-Heavy Beat
From the gutter to the top
KMFDM will never stop
Violence, anger and anarchy
A megaton load of toxic debris
Money, power, all you can eat
The manifestation of ultimate greed
Tokyo-Moscow-Chicago-Madrid
The World rotates to the Ultra-Heavy Beat
Rip the SYSTEM, throw it away
No legislation can stand in our way
Anti, Anti in the USA
Ends with a M
begins with a K
D. I. Y. destroy what destroys you
D. I. Y. do or die
Destroy...
