Into this void
I will give my self-control
Inside this noise
Is a weak and Godless soul

Give me
What I know
Feel this ego

There's a rusty halo
On my head
It must have been something
That I said

This is the dome
Of my betrayal
This is the final
Broken nail

Fill this hole
Suck this soul
I'm the thing
That I can't control

Press my flesh
Press my flesh
Press my flesh
Press my flesh

Flesh

These eyes are twitching
Like a cup of squirming flies
When I'm on my knees
You can do just what you please

Give me
What I know
Feel this ego

There's a rusty halo
On my head

It must have been something
That I said

This is the dome
Of my betrayal
This is the final
Broken nail

Fill this hole
Suck this soul
I'm the thing
That I can't control

Press my flesh
Press my flesh
Press my flesh
Press my flesh
