Black man, white man, rip the system  
Black man, white man, rip the system

I will pray and pray  
That your country undergoes recovery

Use the power  
Taste the best, have your salvation

Now is the time  
Get on the right side

{Security forces may have killed thousands of people  
In crushing the anti-government rallies  
Fascists and terrorists are responsible for the  
violence}

Escape your own life  
Of bondage and sin

Now is the time  
Get on the right side

You'll be godlike  
You'll be godlike

{And I know that we were right to do what we did  
And if you ask am I happy  
Absolutely not, absolutely not}

Raise your head  
From the ashes, from the fire

Now is the time  
Get on the right side

You'll be godlike  
You'll be godlike  
You'll be godlike

Und so werde ich beten und abermals beten  
Auf dass euer land eine genesung erfahren wird

Und ihr eure macht nutzen werdet  
Gluckseligkeit zu sehen und das heil zu ernten

Now is the time  
Get on the right side

Godlike  
You'll be godlike
