Die Wunder dieser welt werden dir geschenkt  
Glaube ist nicht käuflich  
Sehnsucht bleibt unerreicht  
Preistrübsel winken, nimmersatt  
Kein Mitleid für Die Mehrheit  
Kein Mehrheit für Die Mitleid

Nihilistic mystics  
Apostolic alcoholics  
Messianic manics  
Cataclysmic and prolific

In the age of super boredom  
Hype and mediocrity  
Celebrate relentlessness  
Menace to society

This is counterculture from the underground  
Eternal revolution this is our sound  
KMFDM better than the best  
Megalomaniacal and harder than the rest

Refuse is our inspiration  
Terrorism our trade  
Sabotage and piracy  
Chaos our mental state

Mesmerizing festering  
Intended for the faint of heart  
Cultish and anthemic  
Until death us do part

This is counterculture from the underground  
Eternal revolution this is our sound  
KMFDM better than the best  
Megalomaniacal and harder than the rest

Wenn der untergrund bebzt ist die Ordnung  
erschüttert  
Der vrrat an der seele macht leben ungesund  
Mit unschlagbaren reimen werden wir uns vertreiben  
Die zeit der langen weile bis zum grossen bums

Like a fiendish tropic virus  
Spitting bile at all you whores  
Razor sharp tongue in cheek  
Poking in your open sores

A wolf in sheep's clothing  
The ultimate disgrace  
Wrapped up as a gift of God  
Exploding in your face

This is counterculture from the underground  
Eternal revolution this is our sound  
KMFDM better than the best  
Megalomaniacal and harder than the rest

Refuse is our inspiration  
Terrorism our trade  
Sabotage and piracy  
Chaos our mental state

In the age of super-boredom  
Hype and mediocrity  
Celebrate relentlessness  
Menace to society

This is counterculture from the underground  
Eternal revolution this is our sound  
KMFDM better than the best  
Megalomaniacal and harder than the rest

Megalomaniacal, megalomaniacal  
Megalomaniacal, better than the best  
And harder than the rest
