"Mercy"

I went through too many people
I went through heaven and hell
I went from Rome to Baghdad
Too many stories to tell

What do you mean by that?
Mercy is all you get
Do what you won't regret
Freedom's your self respect
What do you mean by that?

I lived through too many aeons
I've risen up and I fell the fall
I have been there and I have done that
I've seen it all and all

What do you mean by that?
Mercy is all you get
Do what you won't regret
Freedom's your self respect
What do you mean by that?

My time is running like water
Deeper I dive and deeper
Last of nine lives of the cat
I saved my soul for the reaper

What do you mean by that?
(I saved my soul for the reaper)
Mercy is all you get
(Deeper I dive and deeper)

Do what you won't regret
(I saved my soul for the reaper)
Freedom's your self respect
(Deeper I dive and deeper)

What do you mean by that?
(I saved my soul for the reaper)
Mercy is all you get
(Deeper I dive and deeper)

Do what you won't regret
(I saved my soul for the reaper)
Freedom's your self respect

What do you mean?
What do you mean?
What do you mean?
What do you mean by that?
