When you peel back my eyes,
I see the pain and feel alive
My hatred heaps upon this fire,
that burns inside and you blow higher
But I don't need to you anymore
You cannot hurt me anymore

Keep it away from the fire unless you want it to burn
It burns - wildfire
Give it to me!
Your wildfire - don't take it from me!
Wildfire - give it!

And when you take me in your mind,
into this dirty sodden shrine
I do not need you anymore
You cannot hurt me anymore

Keep it away from the fire unless you want it to burn.
It burns - wildfire
Give it to me!
Your wildfire - don't take it from me!
Wildfire - give it to me!
Set on fire - don't take it from me!
Your wildfire - take it!

When you peel back my eyes,
I see the pain and feel alive
My hatred heaps upon this fire,
that burns inside and you blow higher

Keep it away from the fire unless you want it to burn
It burns - wildfire
Give it to me!
Your wildfire - don't take it from me!
Wildfire - give it to me!
It burns - wildfire - don't take it from me!
Wildfire - give it!
Wildfire - give it to me!
Your wildfire - don't take it from me!
Wildfire - give it to me!

Your wildfire - don't take it from me!
You caught on fire
On fire.
On fire - I do not need you anymore
Fire - You cannot hurt me anymore
Fire - give it, give it to me!
On fire - I do not need you anymore
Fire - You cannot hurt me anymore
Fire - I do not need you anymore
Fire - You cannot hurt me anymore
fire - you cannot hurt me
