Break it  
Stop  
Open your eyes  
Realize you're blind  
And the truth will  
Keep away the devil, man  
Come on, we can melt you know  
With every (?) you (?)

You're a sinner  
I'm a sinner  
You can repent  
Your true (?)  
Get deeper on me, man  
The devil is about to get you  
Just realise it and take it out of your head

Like this like this  
Boom  
Getting ill instead  
This is reality man  
Why can't man be true?  
Why can't we let the people be free?  
Leave them in peace man  
Peace - I'm with it  
Love - I'm with it  
Peace - I'm with it  
Love - I'm with it  
Murder and you don't stop

Little bit more better

Not always blind man  
We don't always have one god on the TV  
Or with (?)  
Its haunting  
Yo we're getting hot every time  
Hearing this man

This bit  
Jews and they don't stop  
Christians and they won't stop

Muslims and they don't stop  
Murder and they won't stop  
World and they won't stop  
Europe and they won't stop  
Africa and they won't stop  
Jimmy G never ever talk about

Its no need to laugh about this situation at all  
Yo let's all come together and talk about this problem  
And solve it

Let's go
