Give me

Your dirty love

Give me

Your dirty love

I'm obsessed and derranged

For I am destined to rule

And i just can't believe that you are such a fool

I don't need your sweet devotion

I don't want your cheap emotion

You will do as you are told

'till the rights to you are sold

Once you were my one and only

Took my stash and left me lonely

Don't you blow your top

are you hung up

Give me

Your dirty love
