Hopelessly retarded, spluttering decay
Crying out the lament every night and everyday
Hiding in the twilight, X-ray shades
Suffering from constipation, tripping outer space

I've been recoiled into stone age, covetous a dream
Obnoxious and depraved, waking up in a scream
Sleeping in the morgue, a [Incomprehensible] on me
Think I lost my consciousness, left reality

My inner circle's helter skelter, echoes lovin' ecstasy
And I know I'll find a way to live, a way for you and me

Totally addicted under detrimental spell
If I had a shotgun, I'd blow myself to hell
Let me be your piggybank for nothing but your smell
And if I had a shotgun, I'd blow myself to hell

Squalid and deranged, I'm the outlaw of the kin
Will never be the same again, stuck in deadly sin
I slouch along the street instead of struttin' down the
block
I still did not recover from that stunnin' cold shock

My inner circle's helter skelter, echoes lovin' ecstasy
And I know I'll find a way to live, a way for you and me

Totally addicted under detrimental spell
If I had a shotgun, I'd blow myself to hell
Let me be your piggybank for nothing but your smell
And if I had a shotgun, I'd blow myself to hell

Let me be your piggybank
Let me be your piggybank

Away from phony people, besides the way of life
I won't be blamed for loving you, I'll take you, be my life

My inner circle's helter skelter, echoes lovin' ecstasy
I know I'll find a way to live, a way for you and me

Totally addicted under detrimental spell

If I had a shotgun, I'd blow myself to hell
Let me be your piggybank for nothing but your smell
And if I had a shotgun, I'd blow myself to hell

Let me be your piggybank
Let me be your piggybank
Let me be your piggybank
Let me be your piggybank

Let me be your piggybank
Let me be your piggybank
Let me be your piggybank
Let me be your piggybank
