Conquer your world, study you quietly
Count the ways, I'll do anything you say
There will be no holding back legions of me

So cruel, longing eternally
Bittersweet possibility
A tiger on the attack, ready to bleed

Tragically yours, obey and submit to me
I will find you wherever you hide
Got a thrill for the hunt, a skilled criminal mind

So calm, tracking your every move
Unrelenting, my conscious clear
Beyond a shadow of doubt, a force to be feared

Wretched and pure, tricky and dangerous
Do not question or challenge your fate
A promise written in blood, take life for pay

Yours is not to ask why
Yours is to do and die
(Professional killer)
Yours is not to ask why
(Professional killer)
Yours is to do and die

Yours is not to ask why
Yours is to do and die
Yours is not to ask why
Yours is to do and die
(Professional killer)

Killer, professional killer
Yours is to do and die
Do and die, do and die
(Professional killer)
Yours is not to ask why

Killer, professional killer
Yours is to do and die
Do and die, do and die

Killer
