System breakdown imminent,  
Nature's gone belligerent,  
Pilot error pre-programmed,  
Oh, that human element.

Driven by testosterone,  
Adrenaline & pheromone,  
Crowning glory of creation,  
Super-human incarnation.

Failure is man's fate,  
Blacklist of mistakes,  
Nothing's what it seems,  
Blown to smithereens.

Commandeer own your fear,  
Associate, and integrate,  
A rabble rouser in your face,  
A proclamation of defense,  
The outrage of the innocent,  
Unyielding to the consequence,  
A rabble rouser to the end.

Fight! rabble rouser!  
Fight! rabble rouser!

Determined to the end,  
Ruthlessly & violent,  
Ruler of the earth,  
Subordinate the universe.

Commandeer own your fear,  
Associate, and integrate,  
A rabble rouser in your face,  
A proclamation of defense,  
The outrage of the innocent,  
Unyielding to the consequence,  
A rabble rouser to the end.

Fight! rabble rouser!  
Fight!  
Fight!

System breakdown imminent,  
Nature's gone belligerent,  
Pilot error pre-programmed,  
Oh, that human element.

Livin' out the big illusion,  
Evolution revolution,  
Time and time and time and again,  
Life is short and God is man.

Commandeer own your fear,  
Associate, and integrate,  
A rabble rouser in your face,  
A proclamation of defense,  
The outrage of the innocent,  
Unyielding to the consequence,  
A rabble rouser to the end.

Fight!  
Fight! rabble rouser!
