In fear of my life
I went suddenly crazy
Surrounded by beasts
In a world of disease

I'm in fear I'm in anger
I'm in a desperate state
I will be careful now
And I will make no mistake

What's gonna happen?
I need to know
I don't want you to suffer
Is it yes or is it no?

If there's a hard way
It's gonna be mine
But I learned my lesson
And I'm gonna be fine

What's gonna happen?
I need to know
I don't want you to suffer
Is it yes or is it no?

It's the end of this world
Something's gone wrong
Give me one last kiss
Revolution has begun

What's gonna happen?
I need to know
I don't want you to suffer
Is it yes or is it no?

It's the end of this world
Something's gone wrong
Give me one last kiss
Revolution has begun

It's the end of this world
Something must end

Time is right for a change
It is all in our hands

What's gonna happen?
What's gonna happen?
What's gonna happen?
Nobody knows
