Will we close our eyes  
Will we fall for those lies  
Or will we make the conclusion  
That this life's a delusion

Will we do what we're told  
'Til the day that we're sold  
Or will we raise our voices  
Make alternative choices

What's up? Our silence is death  
What's up? We shall resist the violence  
What's up? And we'll never give up  
What's up? Only death is silence

Are we victims or winners  
Believers or sinners?  
Do we sit in the saddle  
Or are we just cattle?

Are we wretched or bold  
Are we garbage or gold  
Can we make the right call  
Can we change it at all

What's up? Our silence is death  
What's up? We shall resist the violence  
What's up? And we'll never give up  
What's up? Only death is silence

And that is what this country is looking for now

Acceptance is surrender  
Vile and vicious slander  
We don't want to be ruled  
By a handful of fools

What's up? Our silence is death  
What's up? We shall resist the violence  
What's up? And we'll never give up  
What's up? Only death is silence

What's up? Our silence is death  
What's up? We shall resist the violence  
What's up? And we'll never give up  
What's up? Only death is silence

Will we close our eyes  
Will we fall for those lies  
Or will we make the conclusion  
That this life's a delusion
