Sin City 4x

When the tracks are leading home to the limits of hell
We'll yell, life sure is swell!

In Sin City

In the streets where the servants of silence dwell
The visions of the wicked are sure to sell!

In Sin City

On the quickest strip going, come holy high rolling with
me

Get you cash cup flowing, come holy high rolling with
me

Sin City 4x

In the heat where the Saviour of Sodom dwells
Join hands with the women who squirm in hell,

In Sin City

Because the lord has mercy on the women that sell
Their pussies to the preachers who burn in hell,

In Sin City

Yeah Iâ'm the queen ??? come holy high rolling with
me,

Let your holy mother blow your fears away

Get on your knees and pray! 5x

The Devil's home for the depraved

Where the souls are never saved

That's why the holy rollers say

Get on you knees and pray

To breathe

In Sin City

To lie

In Sin City

Get high

In Sin City

Let your holy water wash away your shame

Cause the judgment day is just another game

On your knees and pray!
