When you peel back my eyes
I see the pain and feel alive
My hatred heaps upon this fire
That burns inside and you blow higher

But I don't need you anymore
You cannot hurt me anymore

Keep it away from the fire
Unless you want it to burn
It burns wildfire
Give it to me

The wildfire
Don't take it from me
The wildfire
Give it

And when you take me in your mind
Into this dirty sodden shrine
I do not need you anymore
You cannot hurt me anymore

Keep it away from the fire
Unless you want it to burn
It burns, wildfire
Give it to me

The wildfire
Don't take it from me
The wildfire
Give it to me

Set on fire
Don't take it from me
The wildfire
Take it

And when you peel back my eyes
I see the pain and feel alive
My hatred heaps upon this fire
That burns inside and you blow higher

Fire, on fire, on fire, on fire
But I don't need you anymore
(On fire)
You cannot hurt me anymore
(On fire)
Give it, give it to me
(On fire)

I do not need you anymore
(On fire)
You cannot hurt me anymore
(On fire)

I do not need you anymore
(On fire)
You cannot hurt me anymore
(On fire)
You cannot hurt me
