All you want is a scapegoat
All you want is to get absolution from shame
You have nothin' to lose anymore never was anything
Worth to be lost in this war in the first place

They make you hate their name
Prostrate yourself in the arena of blame
Nothing at all is left to be said
The flag's gone up and the dawn is red

Headed down the hard way
Concrete battleground
Urban monkey warfare
Sabotage underground camouflage
Man, monkey man, monkey man, monkey man
Monkey man, monkey man, monkey man
Urban gorilla

All you know is reflection
All you know is the code to hack and crack
The truth lies buried in shallow graves
Who's afraid to claim it back?

Headed down the hard way
Concrete battleground
Urban monkey warfare
Sabotage underground camouflage
Man, monkey man, monkey man, monkey man
Monkey man, monkey man, monkey man
Urban gorilla

Headed down the hard way
Concrete battleground
Urban monkey warfare
Sabotage underground camouflage
Man monkey, man monkey, man monkey
Man monkey, man monkey, man monkey, man
Urban gorilla

Headed down the hard way
Concrete battleground
Urban monkey warfare

Sabotage underground camouflage
Man, monkey, monkey, monkey
Man, monkey, man, monkey, man
