Now here you creeps, punks and freaks  
I'm talkin' 'bout virus from the street  
Spread that virus go for hell  
Check out the resistance of your cells

Smoke some dope waste your brain  
Kick your health outta the drain  
Fuel-injection makes you high  
Ram it up your poop-chute, you know why

You catch it once, you catch it twice  
Catch it with your love-device  
It's a man-eating, God-creator  
Collecting lives paying later

Rip that thing and do the right stuff  
Messing with the girls ain't not enough  
You can't lock it in, no walls too high  
It's busting out into the sky

Virus gonna kill y'all  
Gonna thrill y'all  
Gonna rock you up  
Makes you high

This love ain't real it's just a fake  
I don't care of what you make  
Got a keepsake out of all I'm saying  
Watch your style, better start praying

You did wrong my dear but it's too late  
It's all destroyed what a state  
You're the victim, he's the master  
Beg for mercy, more and faster

I'm a rock n' roll monster with a bass-guitar  
My face is all up, you've gone too far  
I've been sleeping for a million years or longer  
You woke me up I'm even stronger

Cleaning up the face of earth my mother  
You'll never ever, you'll never have another

Blown to pieces drowned in slime  
Not worth a tombstone, sign of the time

Virus gonna kill y'all  
Gonna thrill y'all  
Gonna knock you out  
Makes you high

Virus gonna kill y'all  
Gonna thrill y'all  
Gonna knock you out  
Makes you high
