So good things come to those who wait  
Sure, I've waited about pop-pop-pop-pop  
That's four cousins shot!  
I got grudges, let's discuss this, my music needs no  
touch ups  
I got a long record of fuck ups, trust me you don't know  
who has this weight as mine, or a life as hard as mine.  
I had to hustle, chop, sell drugs, grind, whatever you  
want to call it is fine,  
But just listen, and don't preach us  
I don't want anyone dismissin' me as another thug or  
some shit like that,  
No Sir! If I fall I will get right back,  
I got circumstances, but let me stop dancin' around the  
issue  
And tell you straight forward, I'm poor  
A refugee, been in prison and survived the war  
I come from the most dangerous city in this universe  
You're likely to get shot at birth!...

So I can rap quench my thirst  
I don't even hear verses no more  
I hear jerkin' off, punks with lip glosses and purses  
I don't see nobody I can reach anymore  
I see nurses, fuck that!, I'm gonna stay alive! I'd rather  
do a stage live!

[Chorus]

And if rap gets jealous 'cause I rock heavy  
It don't worry me if m'aa fuckers don't get it  
Yo, if rap gets jealous, words that were admitted  
I used to be a public enemy don't forget it.  
And if rap gets jealous 'cause I rock heavy  
It don't worry me if m'aa fuckers don't get it  
Yo, if rap gets jealous, 'cause of where I'm headed  
Aggression, obsession, we're pain in the gain.

[K'naan]

So yeah, basically I gotta realease occasionally

I gotta let you know what's goin' on with me  
And facing me are some tough choices  
I got a good side and a bad side  
Inside my head, I hear screams and loud voices  
And I can't lie, ain't got Shit!  
I ain't got to brag, I'm hard pressed for some cash  
'Cause that's where I'm at with that, you're so  
superficial!  
Of course it's for shizzle, now my choice is to pass on  
you  
Voice! 'Cause my mission is the world  
To know my name!, my aim!, is plainly success!  
But I still gotta come practice!...

So I can rap-Quench my thirst  
I don't even hear verses no more  
I hear jerkin' off, punks with lip glosses and purses  
I don't see nobody I can reach anymore  
I see nurses, Fuck that!, I'm gonna stay alive! I'd rather  
do a stage live!

[Chorus]

And if rap gets jealous 'cause I rock heavy  
It don't worry me if M'aa Fuckers don't get it  
Yo! if rap gets jealous, words that were admitted  
I used to be a public enemy don't forget it  
And if rap gets jealous 'cause I rock heavy  
It don't worry me if M'aa Fuckers don't get it  
Yo! if rap gets jealous, 'cause of where I'm headed  
Agression, Obsession, we're pain in the gain

[K'naan]

He, He, He, That's what it is, it's pain, know what I'm  
sayin'?  
I don't know man it's like...  
You spend years developing your artistry  
Know what I'm sayin'?, perfecting your skills  
You can't do shit with it, Ha!  
That's gotta be Fucked up!, know what I'm sayin'?  
Ha! That's gotta be Fucked up  
You know, just imagine like, imagine you build a Fuckin'  
castle  
And you can't live in it, Ha! That's what it is  
You can't live it you know  
And you got problems, you got family, I got family  
Moment of truth right!  
And I still gotta come practice!...

So I can rap-Quench my thirst

I don't even hear verses no more  
I hear jerkin' off, punks with lip glosses and purses  
I don't see nobody I can reach anymore  
I see nurses, Fuck that!, I'm gonna stay alive! I'd rather  
do a stage live!

[Chorus](x2)

And if rap gets jealous 'cause I rock heavy  
It don't worry me if M'aa Fuckers don't get it  
Yo! if rap gets jealous, words that were admitted  
I used to be a public enemy don't forget it  
And if rap gets jealous 'cause I rock heavy  
It don't worry me if M'aa Fuckers don't get it  
Yo! if rap gets jealous, 'cause of where I'm headed  
Agression, Obsession, we're pain in the gain

[K'naan]

And if rap gets jealous 'cause I rock heavy  
It don't worry me if M'aa Fuckers don't get it  
Yo! if rap gets jealous, 'cause of where I'm headed  
Agression, Obsession, we're pain in the gain
