Come on Come on
Shake shake shake shake
Come on yeah yeah

They snake you know that
They lie they know nothing
Help me, Grab me hand
Kiss me, then you'll see the truth
Shake tha thang
Oh yeah
They lie They lie
Don't listen to them
Whisper to me
Then I'll gently whisper to your ear...Ohhh
Listen Listen to me me me
Boom ba boom ba boom ba boom boom ba ba boom
boom boom ba boom ba
Yeah
Hear tha noise
You feel not see it
You feel tha pressure
In your heart
Feel it feel it
Pressure Pressure
It pulls you down
Don't give up try to push

You know that I am safe
I won't let you down now
I won't let Pressure let you down
Try to pull up I know you can
Just don't give up!
Ohhhhhh
I am gone forever
