"Smile"

My tragedy's different
My life's deep, listen,
Gotta bail, I'm limpin
Walked outta hell's kitchen
Why bother cherishin'
My past is everything, wrong, and my arrogance
Walk down the stairs pissin'
Cop us cause they're bitchin'
Life isn't fair, singin'
Blues and my rap drippin'
Ooze out the blood Sinkin
Deep down to earth thinking
Leave out a nerp chicken
I should run, forfit, and everything I know LISTEN,

I was The misdirected
I was The least expected
Hop on And get rejected
Walk on And feel neglected
I feel Like I'm the message
Unheard But I'm the message
I'm the last prolific remaining offer from the gutter

SHOT was my girlfriend
When We was younger
Her I was scarred yo
Bullets I survived though
Death It's came easy
Truth the games needs me
Never let them see me down, smile while I'm bleeding

Smile When your struggilin
Smile when Your in jail
Smile When your dead broke
Smile And the rents due
Smile You ain't got friends now
Smile And no one knows you
Never let them see you down smile while you bleeding
Smile When he leaves you
Smile Cause girl he needs you

Smile Plenty single mothers cry the tears you do
Smile Dispite the war
Smile despite the pain yo
Never let them see you down smile while you bleeding

To my man Kareem in prison
I can't speak your name
It hurt me that you never listened
It can't be the same
I had to grow my intutision
Had me deep in pain
Cause I knew my options were either broke or the
prison chains
I can't do it
I can't see it, look
Damn it, I can't blow it
I got a judge tellin me my lifes key
They will throw it
Nuh-uh, no sir
I plan to have a chauffeur
It seems to me this chopping crack is really going no
where

Therefore
I'm resurrected
They call me
The poor Injection
I infect you with the real
The Dustyfeetphilosahectagos
I spit, so sick
I skid out
I'm fallin'
I'm Shit outta luck and I'm trapped but I'll get out

Can You Help me
I'm goin crazy
My mom plays trix and I beat on the floor like bush wick
My fists bloody and blistered
A pair Like I'm ballistic
I just stare at the red and smile while I'm bleedin

Smile When your struggilin
Smile When Your in jail
Smile When your dead broke
Smile And the rents due
Smile You ain't got friends now
Smile And no one knows you
Never let them see you down smile while you bleeding
Smile When he leaves you
Smile Cause girl he needs you
Smile Plenty single mothers cry the tears you do

Smile Despite the war
Smile despite the pain yo
Never let them see you down smile while you bleeding

There are a few things you gotta take into account
I'm not an entertainer I've never been a clown
I was born where tha mothers give birth while they
frown
I would walk with the kids that would bbbrrraaaa a
sound ah
Never really thought I'd make it to fourteen
And anybody wanted to fight I was most keen
Plus I had a little temper it was often forseen
Yo say somethin bout my momma id shoot ya dead out
clean
But ya gotta keep in mind that I grew up Mogadishu
(tell em)
The only law was gun law
And we don't walk with a pistol
You get laughed at for being so insensitive to the
environment
Cause how will you be heard when those big boys are
firin'
War is no place for a child
Especially if hes rollin' with an AK and a smile
He had witnesses on mother bloody in a towel
But please, please, please, please
But never let em see you down smile while you bleedin'

Smile When your struggilin
Smile When Your in jail
Smile When your dead broke
Smile And the rents due
Smile You ain't got friends now
Smile And no one knows you
Never let them see you down smile while you bleeding
Smile When he leaves you
Smile Cause girl he needs you
Smile Plenty single mothers cry the tears you do
Smile Despite the war
Smile despite the pain yo
Never let them see you down smile while you bleeding

Smile When your struggilin
Smile When Your in jail
Smile When your dead broke
Smile And the rents due
Smile You ain't got friends now
Smile And no one knows you
Never let them see you down smile while you bleeding
Smile When he leaves you

Smile Cause girl he needs you
Smile plenty single mothers cry the tears you do
Smile Dispite the war
Smile despite the pain yo
Never let them see you down smile while you bleeding
