Give me freedom give me fire give me reason take me  
higher. see the  
Champions, take the field now unify us. make us feel  
proud. in the streets  
Ours heads are lifting as we loose are it surrounds us  
every nation all  
Around us singing forever youge singing songs  
underneath the rejoice in  
The beautiful game and together at the end of the day  
well all say when I  
Get older I will be stronger they'll call me freedom just  
like a waving  
Flag when I get older I will be stronger thell call me  
freedom just like a  
Waving flag so wave your flag and wave your flag and  
wave your flag. give
