One night to be confused
one night to speed up truth
we had a promise made
four hands and then away
both under influence
we had divine scent
to know what to say
mind is a razorblade

To call for hands of above to lean on
Wouldn't be good enough for me

One night of magic rush
the start: a simpel touch
one night to push and scream
and then relief
ten days of perfect tunes
the colours red and blue
we had a promise made
we were in love

And you
you knew the hand of a devil
and you
kept us awake with wolves teeth
sharing different heartbeats in one night
